Thank you

Thank you to all veterans for serving our Country.

Thank you

Thank you for attending parent teacher conferences. Please feel free to contact me at any time with any care or concerns you may have.

Christmas is Coming

Plan now to attend our Christmas event planned for the evening of December 11. If your children are humming Christmas songs it's because we've already started practicing.

Food Drive

It's appropriate that after we learned about healthy eating habits we have a chance to share food with those who don't have enough. Remember our food drive going on from now through Dec. 14th.

What we've been learning:

In Religion we learned about how the Israelites brought offerings to Moses to build the tabernacle. They brought so much that Moses

had to say "Stop bringing offerings!" (Not something we hear very often).

In Math we're beginning a unit on measurement. We'll be measuring with both American Standard and Metric measurements.

In writing we're learning how to use paragraphs.

In Reading and Social Studies we'll be learning how to compare and contrast as we learn and read about Native Americans of the Northwest Coast, Southwest, Plains, and Eastern Woodlands. We are comparing and contrasting homes, food, art, clothing, and tools.
