

# Mrs. Thompson's Tidings

## Reminders!

- Bible Memory  
Ephesians 2:10  
"We are God's workmanship, created in Christ Jesus to do good works, which God has prepared in advance for us to do."
- Remember:  
There's no school on Friday the 12th due to LEST, or on Monday the 15th due to President's Day.
- Today's homework is due on Thursday, Feb. 11th.
- February birthdays:  
Neil 2/16

## Re-enrollment

Re-enrollment begins on the 19th. Thank you for your part in our school community. We hope you continue to grow with us as we desire to serve you. Please feel free to come and talk about any questions or concerns.

## Class Auction Project

Thanks to Amy Eakin and Carol Nolan for taking care of our class auction project. You'll love the result!!

Monday is the last day to send in your classroom basket item.

## Valentine's Day Party

As you think about getting Valentines remember that we have 23 kids in our class. Please bring valentines for all or none, not just favorite friends. Our party will be on Feb. 11 at 1:30-3:00.

## What we've been learning:

**In Religion** we read about the foolish rich man who saved up everything for himself. We discussed trusting God to take care of us. We made colorful posters of Bible

words that are important to us.

**In Math** we're learning to measure angles in degrees. We've been practicing times fours. Have you checked out our favorite website?

[www.multiplication.com/interactive\\_games.htm](http://www.multiplication.com/interactive_games.htm)

**In reading** we are beginning to use dictionary skills. We've been having a lot of practice with syllables. We began reading a biography of Helen Keller.

**In Writing** our penguin reports are coming along.

**For Social Studies** we will begin reading about famous Americans. We'll read novels and reader's theatre pieces.

**During Science** we'll be experimenting with magnets and learning about simple machines.
