Friday-

Spelling Points due

Spelling Test 4

Memory Quiz 3

Back to School Night

*Please remember to
check your child's
planner for home-
work, missing work,
& other notes.
Thank you!!!*

The Ball Is Rolling

As they say, "Let's get the ball rolling," we are definitely rollin' along in fourth grade!

We are starting to get a great routine down. It hasn't been easy, but we have been working very hard! We have already earned things like ticket drawings, eating lunch outside, and extra math game time!

We finished our Geometry unit this week, and will be taking our first Unit test on Tuesday of next week. Look for the study guide and flashcards, and use them to study over the weekend!

Reading has gotten off to a great start. We are almost done testing, so we can get our reading levels and set our reading groups. Mean-

while, we have already read a book called, Donovan's Word Jar. We used some vocabulary skills, reference skills, and have been making connections to the stories we read. We also started reading Charlie and the Chocolate Factory, by Roal Dahl!

Writing has been especially exciting this week. We have been using the first two steps of the writing process--prewriting and drafting. We started writing imaginative narratives and sharing them during Author's Chair. We also learned how to give each other good feedback.

We started learning about the scientific process, and how to use it for experiments. We used bubbles to practice making observations and collecting data. What

fun that was!!!

Religion has taken us further through Genesis, with Adam and Eve, Cain and Abel and even more members of Adam's family. We talked about being created "fearfully and wonderfully" by God. Our challenge this week was to exhibit praiseworthy behavior and forgive those that do wrong to us. It's not easy, but with the Holy Spirit, we can do anything!

Thank you for signing, returning, helping and working with your child. The support from home is soooooo essential to learning. So, thank you!!!

Back To School Night- 9/25

We will have musician, *Aaron Meyer* as our guest. He is currently working with our students to create songs. The kids picked topics, wrote the lyrics, and

Aaron helped us put it to music.

Please come out and see, no HEAR, the kids' hard work and valiant efforts! It will be a night of music, fun and

congregation.

It all starts at 6:30 pm. We can't wait to see you and show you what we have created!

and then on "4th grade."

The single most important activity
for building the knowledge required
for eventual success in reading is
reading aloud to your children.

Share the Word of God!

Please Sign and Return!

Just a reminder to check each Friday for those packets of graded work. Look through them, sign them and return them as soon as possible!

Thank you to those who returned them Monday. Way to be prompt! It is greatly appreciated.

Again, if you have any questions about any of the grades or assignments, feel free to contact me.

-Mrs. Hofrichter
