LEST: The Schedule is Complete!!! Although there could be a couple of minor changes, the tournament schedule is published. I would look in your family folders today to see if Mrs. Van Scoten has sent it home. Please check your child's events and contact us if there is a conflict.

LEST Music: Our 5th Grade Choir sings on Thursday of LEST at St. Michael's church. Mrs. Souigny has requested that 5th graders be AT the church by 12:45. The performance is at 1:30. Also, please wear black pants or skirt (girls) and a white top. We are very EXCITED about this choir!!!!

More LEST:

Parent Responsibility: If your student is in an event, we are asking for you to transport your student or make arrangements with another family to transport them for their events. Many families stay for much of LEST and cheer on or support other students from Forest Hills. There are food services on site (University Cafeteria) or local business near-by. More information WILL be sent home as we get it. Feel free to talk to me about any more details concerning LEST and I will help as much as I can.

Can you guess what is in my name??

(Last weeks: John Hancock)
