LEST: The Lutheran Elementary School Tournament which is held every year on the Thursday-Saturday of Presidents day weekend in February (this year 16-18th of Feb) is celebrating it's 50th year. The tournament involves academic contests (math, science, spelling, knowledge-bowl, chess) the arts (piano, voice, choir, instrumental, fine art, drama, hand-bells) and athletics (basketball, cheer, dance).

Currently, the schedule for LEST is being put together by the LEST director. WHEN it is published, we will pass that information on to you.

More LEST:

Parent Responsibility: If your student is in an event, we are asking for you to transport your student or make arraignments with another family to transport them for their events. Many families stay for much of LEST and cheer on or support other students from Forest Hills. There are food services on site (University Cafeteria) or local business near-by. More information WILL be sent home as we get it. Feel free to talk to me about any more details concerning LEST and I will help as much as I can.

Can you guess what is in my name??

(Last weeks: President John Adams)
