

## Grade Five's Highlights

Mrs. Rickman's Class, Forest Hills Lutheran School

January 29, 2010

### Learning Highlights from this Week

Dear Parents,

Thank you for supporting your child as they do their best to do their homework. Asking your child about what they're doing, helping them to prioritize, and being available if they have questions provides the support they need. Reading together for enjoyment can also help promote the love of reading. Having your child read to you can also be a positive practice for reading.

In Christ, Mrs. Rickman

**Christian Studies:** As part of our studies, we're watching scenes from *The 10 Commandments*.

**Math:** We have been working with data collecting, graphing, and analyzing.

ing. We continue with fractions & percent too.

**Reading:** We started book clubs. It is important that students are ready each day for their discussion group.

**Writing:** We continue writing short stories.

**Science:** Students continue to share their space research as each of the topics comes up.

*Our Verse this past Week*

***Do everything without complaining or arguing so that you may become blameless and pure, children of God, without fault, in a crooked and depraved generation in which you shine like stars in the universe. Phil 2: 14-15***

*Hopefully, this verse will promote some positive attitudes at home!*

### Take Notice...

#### Class Auction Basket

Thank you to those who have already contributed to our classroom basket to be sold at the auction. Our class is trying to reach 100% participation. We're close, but need a few more donations to complete our goal.

#### Calling Home from School

***Please recognize that we want to help develop a sense of responsibility in your child; therefore, it is our school's policy that when your child forgets something like an assignment, lunch, instrument or athletic wear, they are not allowed to call home.***
