

Grade Five's Highlights

Mrs. Rickman's Class, Forest Hills Lutheran School

December 18, 2009

Learning Highlights from this Week

Dear Parents,

May the peace of Christ dwell in you richly as you celebrate His birth. We had a fun week with special events each day. The 5th graders read Christmas stories to their buddies, made Christmas crafts, and watched *The Nativity Story*. They also shared explorer reports which were all well done.

In Christ, Mrs. Rickman

Christian Studies: We have been having Advent devotions, studying the Christmas Story, and watched "The Nativity Story".

Math: We continue learning about fractions, especially equivalent fractions.

Reading: We finished reading *The*

Sign of the Beaver.

Writing: Explorer Reports were shared.

Soc. St.: We concluded our study about the early Colonies in the New World and finished reading a historical fiction that complimented our study.
