

Important OMSI Information

Dear Parents,

This year I have booked our overnight field trip for Thursday, April 15. OMSI camp-in programs are well organized, educational, and fun. We leave school with chaperones around 3:15, arriving at OMSI around 4:30 P.M. The program ends at 9:30 A.M. Friday morning. Students then ride home with a prearranged chaperone or you pick them up at OMSI. We do not return to school. Students go directly home after the camp-in.

Please read the attached information. If your child can come with us, you need to fill out the Medical Consent Form. If you would like to chaperone, you also need to fill out a Medical Consent Form and sign the Chaperone Participation Contract. Chaperones also need to have an approved background check.

The cost for each student is \$22.00 (Our PTC funds have helped with the standard cost of \$42.00). The cost for each chaperone is \$42.00. Once I have your Consent Forms, the fees will simply be added to your March FHLS bill.

After I hear from each of you and know who is going to chaperone, I will put together chaperone groups and let you know ahead of time to make arrangements for transportation.

Please return the Medical Consent Forms and the Chaperone Participation Contract to me by Wednesday, February 17. I look forward to another great trip.

Thank you for your cooperation,

Julie Rickman, 5th Grade Teacher
Forest Hills Lutheran School
