News of the Week and Upcoming Events

Blessings Seventh Grade Families! It's Christmastime!

Festive. Busy. Sparkly. Opportunity. Christmas has happened upon us once again. This year the seventh grade class has many opportunities to spread the message of Christmas with you and others in our community. Next week they will wrap up preparations for our school Christmas event. The event is next Friday night. It begins at 7:00pm in the Dobbin Center and we ask that all students arrive on campus

and meet in their classrooms by 6:45pm dressed in Sunday best attire. We look forward to seeing you all there and celebrating the coming of Jesus together as a school family.

Another opportunity the seventh grade class has is to give to their neighbor. This year each class at Forest Hills has adopted a local family in need. Our hope and purpose is to make their Christmas wishes come true. An e-mail was sent out today with more information. If you can participate in this with us that would be a tremendous blessing.

Additionally, the seventh grade class willingly volunteered to run this year's PB & J drive. The jars are included in Christmas food baskets Trinity Lutheran Church delivers to families in need. On December 16, we as a class will go to Trinity to help put these baskets together. A permission form went home in today's newsletter. We need chaperones and drivers and if you can join us, that would be a blessing!

May you have a blessed Christmas season!
God bless,
Renee Reitmeier

LEADER IN ME NOTE

Habit Focus:
Begin with the End in Mind.

For unto us a Son was born.
Unto us a Son was Given.

Thank you Jesus for making us your end in mind.
