

# Seventh Grade Salutations

## News of the Week and Upcoming Events

Blessings Seventh Grade Families!

The first full week of school went by well. Learning is well underway and projects are already being completed and the next ones started! The next big Writing project is the annual fall research paper. This year's focus is on an influential person who made a positive impact on the world and is not a US citizen. Most everyone in the class has a person picked out. Next week

we will begin gathering resources. Next Friday is our Back to School Open House! At 6pm, there will be an informational meeting in the 7th grade room for 6,7, and 8 grade parents regarding this year's research project. The all school festivities will begin at 6:30pm in the 7th grade classroom as well. It is there where your child will lead you on a tour of their middle school classrooms. The evening will end with an all school assembly in the gym. I

hope you can come! Hopefully you have been able to sell some of the PTC Fund-raiser cards. Thank you for your participation in this. It is a great blessing to the school and the activities that go on here.

Have a wonderful weekend!  
God bless,  
Renee Reitmeier
