

Seventh Grade Salutations

News of the Week and Upcoming Events

Blessings Seventh Grade Families!

Tonight Forest Hills is hosting a Harvest Festival! The soup dinner begins at 6:30pm and games start at 7:00pm. Hope you can come!

Next week is Thanksgiving Break! Our school Thanksgiving Chapel is on Tuesday at 8:20am. Please feel free to join us.

Once we return from break, Christmas will be our focus. We star Christmas units in both Geography and

Writing. We will also be practicing for our class role in the Christmas Program which is on Friday, December 11. Please plan on attending that night as it is a wonderful way for us to celebrate the birth of Christ as a Forest Hill's family.

Our school's annual Peanut Butter and Jelly Drive began last week and will continue through December. The PB&J will be given to Trinity Lutheran Church to add to their Christmas Baskets they put together each year for families in

need. If you can share a jar of peanut butter or jelly please leave it on the table outside the school office.

As I celebrate Thanksgiving this season and reflect on the blessings received this past year, you and your families will be counted among them. Thank you so much for allowing me to teach your child and have the opportunity to be a part of your lives.

Have a blessed Thanksgiving.
Renee Reitmeier
