

Seventh Grade Salutations

News of the Week and Upcoming Events

Ways you can be involved with the 7th Grade Class!
And here are two ideas!

Class Auction Project:
We are still in need someone to help organize the project. If you would like to help, but have no ideas, I can certainly provide ideas. The auction is not until April, but an early start would be great!

Teacher Aid
And another opportunity to gather VIP hours would be to help me out with copying and/or other classroom projects once a week for about an hour, let me know if you are interested.

Back to School Open House is Tonight!

The seventh grade class is ready to perform for you! They wrote and recorded a song this week entitled, "We've got the Reggae Beat!" They did a great job and look forward to showing you their music skills tonight. And just a reminder, a 1/2 hour prior to the open house, there will be a brief meeting held in the 7th grade room to discuss this year's Writing Research Paper project.

Blessings Seventh Grade Families!
Next week the seventh grade class will

be going on two different field trips. The first will be Monday. We will be hearing Mr. Ham discuss ways we can defend the Christian faith Biblically and scientifically. A disposable sack lunch will need to be provided that day. And then on Tuesday, we will visit the Hillsboro Library to collect research materials for the research paper. This day, they need to remember to bring their library card.

I hope you all have a wonderful weekend, and see you tonight!
God bless,
Renee Reitmeier
