LEST Practices

Just a reminder that LEST practices are taking place every Tuesday after school till 4:00 for all chess, science, knowledge bowl, and math participants. Please try to attend.

LEST 8th Grade Registration

As part of being an 8th grader participating in LEST this year, Concordia University asks that all 8th graders fill out an online registration form for LEST. This registration helps Concordia track former LEST participants through high school, as well as help in the college selection process they will go through in only a few years. To register, go to www.cu-portland.edu/lest and click on the "8th Grade Registration" link.

Habits Highlight

This week, we will be looking at prioritizing our lives and finding the "big rocks" that need to be accomplished. Part of this process is discovering what

all of your roles are (student, brother, sister, son, daughter, athlete, etc.). Each role has its commitments and obstacles. The key is deciding which

are most important and putting them first.
