The pumpkin patch field trip is next week. Here is the list of items that your child needs to bring the day of the field trip:

- **Car Seat** labeled with your child's name the day of the field trip
- **Coat** (raincoat if you have one)
- Old shoes or boots **and** an extra pair of shoes for the remainder of the day
- An old pillowcase, reusable tote bag, or 2 plastic grocery bags to carry your pumpkin (remember, children may only get a pumpkin that is a size they can carry)

We will leave promptly at 8:15, so please arrive to class earlier so that chaperones have ample time to load kids car seats into their vehicles. We don't want to be late for this fun trip to the pumpkin patch!!! Also, if you are a chaperone on the field trip, please consider staying for a few minutes after we return from the field trip to help children change shoes and to wash and put names on pumpkins. This would be a huge help since we would like to use our pumpkins in the afternoon for math activities.

We have had a busy, but short week of school. We had the chance to see our buddies this week. We read a story with our buddy and played out at recess too! The children love this opportunity to be friends with an older students in our school. I hope that you have a wonderful few days off with your children! Enjoy the long weekend and we will see you next week.
