Mrs. Brown will be our guest teacher on Tuesday next week from lunch to the end of the day while I have my 24 week check-up!

God cares for you!  
~1 Peter 5:7

We have continued our study of Moses this week and how God cared for the Israelites.

October is a sporadic month with many half days and no school days. I will try my best to get a newsletter written on short weeks of school, but sometimes that may prove difficult. I will send home notes with important date reminders, so look closely at all papers in your child's Friday Folder. Thanks for your patience and understanding.

Remember student goal setting conferences are next week already! I

look forward to meeting with you and your child at your designated time on Thursday or Friday.

There is a note in the Friday Folders detailing information regarding our Halloween Class Party. Please see this note for information regarding time, day, supplies, costumes, siblings, etc.

With our wacky October, we will be shifting our regular library time on the week of the 17th. Please help your child remember to bring their

library books back on Monday, October 17th because we will be checking out books on Tuesday the 18th in the morning before our field trip. Thanks for your flexibility.

Our assembly was fun this morning. We will be focusing on Habit 1 this month in school. We will be on the look out for proactive language in the classroom. Listen at home to encourage the use of proactive language!!

~Mrs. Heldt

This week we have explore Habit 4 Think Win-Win. We have looked for ways to use this habit in our interaction with friends in the classroom. A win-win is when everybody wins with the outcome we choose!! We read several stories this week in which characters have discovered how a win-win makes them and the other person feel great!! We will continue to explore the remaining habits over the next few weeks, in addition to a focused look at Be Proactive this month!!
