Merry Christmas

Christmas Break Homework

Please read the note in your child's Homework Folder in order to assist your child in completing some work over the holiday break. The journal will become our first show and tell in January! This is intended to be fun not work, please let me know if you have concerns.

A HAPPY NEW YEAR

School resumes from Christmas Break on Tuesday, January 3rd!

We will be taking Monday, January 2nd off in observance of New Years.

Praise be to the Lord...our Savior.
~Psalm 68:19

We have had a fun week this week. We finished all of the gingerbread stories on Monday and Tuesday. The *Gingerbread Girl* and the *Gingerbread Pirates* were voted the most favorite of all the stories! We made gingerbread cookies on Tuesday morning. Mrs. Nuno peeked before they were done and they ran away. We spotted various clues on our chase and arrived back in our classroom to find our cookies waiting for us. It was a fun experience and still quite the mystery!

I have been checking in with students to help them prepare for reading over Christmas Break. You may have noticed some new book colors in homework bags! Remember that practice in our good fit books helps us grow as readers. It is best for beginning readers to practice reading with a parent so they can get help

when they get stuck on a word or need help remembering how to use their decoding strategies!

There are several important papers in your class Friday folder this week. Please locate the show and tell calendar for January and make sure to mark those dates on your calendars. The volunteer schedule is also included for those that are able to help in the classroom. Your child's homework folder will also be in his or her folder in addition projects we have been working on.

I pray that everyone has a wonderful Christmas Break. Take time to relax and rest. See you in the New Year!!

~Mrs. Heldt

"Today in the town of David a Savior has been born to you; he is Christ the Lord"
~Luke 2:11

This week the children had the chance to work together as Leaders!! We gathered with 1st grade on Tuesday morning to share the gifts we were able to collect, pray for the family, and work together to wrap and prepare the presents to be dropped off to the family. It was amazing how many gifts we were able to send to the family, in addition to gift cards. This project has allowed us to witness to this family the love of Jesus at Christmas as well as speaks to the kind of leaders we are working to inspire at FHLS!! Thanks for your support and participation...we couldn't have done it without you!
