Jesus came into the world to save sinners

What a busy time of year! So many fun and exciting things are happening in Kindergarten. We have continued reading various version of the *Gingerbread Man* like the *Gingerbread Cowboy* and *The Gingerbread Superhero*. We have learned about setting, characters, and worked hard at comparing and contrasting these stories. The children want to read them time and time again because they are so much fun!!

We had a wonderful

trip to the KinderKonzert on Wednesday. We learned about the woodwind instruments and took a trip with music through the zoo. We listened to instruments and decided what animals at the zoo they might represent. The school bus ride was also a pretty big highlight for many!

We continue to spend our Daily 5 Literacy and Math time reviewing concepts we have previously learned. We continue to build our stamina for Daily 5.

We have certainly enjoyed the addition of the iPads to our classroom. This technology has provided a fun way to practice our reading, writing, and math skills.

We have also been hard at work preparing to share the message of Christmas with you at our Christmas program tonight!! Please remember to drop your child off at the classroom at 6:45. I look forward to seeing you all tonight!!

This week we have discussed the birth of Jesus'. God promised to send a Savior for the world to redeem us of our sins. That promise was fulfilled in a baby lying in a manger. Time and time again we see how God's plan come to fruition as we study His word. Consider your plans this holiday season and include Christ in your Christmas!
