Mrs. Heldt is now on maternity leave so you can e-mail at the above address or leave a message in the office for me to call you back.

Auction Basket Competition

We are at 80% and currently in fourth place for participation in the classroom auction basket competition. See Mrs. VanScoten in the office if you need help remembering what item your family was asked to donate.

KinderKonzert Field Trip Wednesday, Feb. 8th

We will be leaving by bus at 8:55 a.m. and will arrive back by 10:30 a.m.

I have had Gods help
to this very day.
~Acts: 26:22

This week has been a very busy and exciting one. We enjoyed two final days with Mrs. Heldt before she went on maternity leave. We prayed and waited for Carly's safe arrival.

The students did a wonderful job singing in chapel this last Wednesday. They truly love to sing praises to our Lord!

As we took down January's calendar we noticed how many days were cloudy and rainy. Ask your child to share their weather graph with you to see how they recorded the fun weather we had.

It was a beautiful and sunny Groundhog Day. Did Punxsutawney Phil see his shadow? If so, then there are six more weeks of winter. We read and did activities about Groundhog day and shadows.

In your Friday Folders there is a list of student names for your child to use when working on their Valentines. If there are valentine's for Mrs. Heldt I

will see to it she gets them. Remember to bring your Valentine Box either Monday, Feb. 13 or Tuesday, Feb. 14th.

We wrapped up our winter / hibernation unit and will be starting a new unit about our bodies. It is amazing how complex our bodies are and how awesome our Lord is to make us such marvelous creatures.

There have been several students not turning in their Library books. Please be sure to bring them in by Wednesday of each week so they can check out new ones.

Remember that next Friday, February 10th school will dismiss at 11:30 a.m.. There will be NO lunch that day.

I have enjoyed getting to know your child and I look forward to serving you and your family for the rest of this school year.

~ Mrs. Moeller

"The key is to not prioritize what's on your schedule, but to schedule your priorities!"

~Stephen Covey

How many times have you heard your child complain about a chore that needed to be done or cleaning up the toys he or she was playing with? Or maybe something else along this line? Reinforcing Habit 3 at home with help your child as they manage his or her time and learn to not procrastinate the hard things or the things we don't particularly enjoy doing. This is a skill that will benefit them in life as they develop as a leader!!
