

Kindergarten News

Library Book Return Procedure:

Starting next week your child will have the chance to check out books from the school library. In your classroom Friday Folder, you will find a note explaining the procedures for returning books. Make sure your child's books are back to class on Tuesdays so he or she can check out new books on Wednesdays.

School Supplies:

We are still missing some of your school supplies. If you haven't brought in all your supplies, please bring them to class on Tuesday. We have started working on various art projects and will be needing our paint shirts in order to keep our new school clothes nice. Please see me if you have any questions or concerns. Thanks!!!

Learning to be a kindergarten student has been fun!! We have worked to learn our new classroom routine, get to know our new friends in class, and figure out what all day school is about.

We have spent a lot of time exploring the many materials in our classroom and reading lots of books. We have enjoyed playing together on the playground too!

Remember that you

can send your child with a water bottle that they can drink from throughout the day. This should be a different bottle than your child takes to lunch because we don't get our lunch stuff back until the end of the day.

Also, remember that we get hungry during the day and our snacks should be left loose in our back pack. Make sure your child knows where to find his or her snack! Thanks for you

help with this.

I will be creating our first volunteer schedule soon. Please see your school family folder for information regarding the volunteer policy. All volunteers must complete a background check before volunteering in any capacity. For the safety of all our students, parent's won't be able to help at school or on field trips until this has been completed.

Mrs. Heldt

We are learning about what being a leader is all about. We have discussed the terms habit, paradigm, and principle this week as we lay the foundation for our continued studies on becoming a leader!! Next week, we will be learning about each habit briefly as we prepare for our in-depth study of habits 1-7.

"We are all leaders. At our school, leadership is doing the right thing even when no one is watching"
