## Time to clean out those bookshelves!

Girl Scout Troop 40959 will be collecting gently used children's books during the Book Fair. The books will be given to The Children's Book Bank here in Portland. The Children's Book Bank collects, sorts, cleans and distributes donations of new and used children's books in order to close the gap that exists for children in low-income families. Please consider cleaning out your bookshelves and donating those books while making room for the new books you get at the book fair. There will be a donation box right outside the library.

We thank you for your generosity!
