Auction Items Available for Your Bid

Now is the time to bid on items being displayed in the main hall. There is no need to purchase a bidder number, just use your name on the bid sheets provided. This is your last chance to get involved in a very successful auction and show your support for Forest Hills. We have some beautiful individual items and wonderful gift certificates available. Items will be on display through 3 p.m. on **Friday, April 30th**. At that time, they will go to the highest bidder!

You also have the opportunity to participate in this year's special appeal - **"You Raise Me Up"** bridging the gap between the cost of tuition charged and the actual cost to educate a student. Funds raised beyond the goal will purchase a portable stage, portable risers, sound board, and microphones to equip our children's voices to raise into the bleachers during performances.

Teacher Appreciation week is coming up the week of May 3-7

We need at least 12 volunteers to help with lunch and recess duty so our teachers can enjoy a nice lunch in the company of their teammates. Please consider giving a little of your time to show our teachers how much we appreciate their service to our children. Call or email Stacey Buck (503)681-2205 or stacey.buck@onemailedrop.com

Special Guest Next Week in Chapel

Parents and friends of the school are invited to join us for chapel each Wednesday, beginning at 8:20 a.m. at St. Peter's Church, next door to the school. On Wednesday, April 28, we welcome Mr. Dan Seim, Founding Principal of Forest Hills Lutheran School as our chapel leader. Mr. Seim will share a special message with all of us about helping "others".

Spanish Summer Program Possibilities

We are exploring the possibility of offering 2 summer Spanish Sessions at FHLS!

Session I

- June 21st-25th
- Students going into grades 4, 5, & 6
- Afternoons from 1-3:30 p.m.

Session II

- June 28th-July 2nd
- Students going into grades 2, 3, & 4
- Mornings from 9-11:00 a.m.

Those parents seriously interested in enrolling their child in Session I or II please call or stop by the office to add your child's name to the list. We would like to have an idea as to actual interest before finalizing plans.

Summer is Coming

At the beginning of each school year teachers spend weeks reviewing previously learned skills which have been lost over the summer months. Once again, Forest Hills would like to endorse and offer the "Summer Math

Skills Sharpener" program. A fun way to keep math skills up during the coming summer. This company also offers summer programs for Language Arts, Spanish I & II review and Touch the

Future (keyboarding). You are invited to look at booklet samples at their website www.summerskills.com then click on **Parent Order Information** - View the Curriculum Overview - Products - View Sample Pages.

In your Family Envelope is an order form if you wish to order a book for your child, who has completed kindergarten through 8th grade. Attach your check payable to Forest Hills in the amount of \$18 for each book. Orders will be taken through **Monday, May 10**. Your books will be here before summer vacation begins.

Recycle Metal

A special dumpster will be located at Forest Hills to collect scrap metal, old metal appliances and other odds and ends of steel, aluminum and copper.

The dumpster will be located across from the maintenance building. Call Dan Seim 503-359-4853 if you need pickup.

**Anyone who sent in a CD
with pictures for the
yearbook can pick them up in
the office.**

Spring Event
Dobbin Center, Forest Hills Lutheran School

• **6:00-6:45 p.m.**

You will not want to miss the opportunity to browse through the **Art Gallery** created by our 3rd, 4th and 5th grade students.

Personal Projects were the assignments for students in K, 1st, 2nd and Multiage classes. A topic was selected, researched and are on display this evening for all to enjoy and maybe learn something new too!

• **7:00 p.m.**

The students in 6th-8th grades present 'The Wizard of Oz'. Dorothy Gale, a 12-year-old farmgirl, longs for "a place where there isn't any trouble", rather than her mundane Kansas farmhouse existence. After being knocked unconscious during a tornado by a window which has come loose from its frame, she begins to dream. In her dream, Dorothy, her dog Toto, and the farmhouse are transported to the magical Land of Oz. There, the Good Witch of the North, Glinda, advises Dorothy to follow the yellow brick road to the Emerald City and meet the Wizard of Oz, who can return her to Kansas. During her journey, she meets a Scarecrow, a Tin Man and a Cowardly Lion, who join her, hoping to receive what they lack themselves (a brain, a heart and courage, respectively). All of this is done while also trying to avoid the Wicked Witch of the West and her attempt to get her sister's ruby shoes from Dorothy, who received them from Glinda.
